PATRONAGE DISAPPOINTS

BIG FALLING OFF FROM OPENING DAY AT JACKSONVILLE.

Disinclination of Owners to Start Their Horses Immediately After Trip South Responsible for Light Fields—Three Favorites Are Successful.

Jacksonville, Fla., November 25.—There was a decided falling off in the attendance at Moncrief Park this afternoon. This, too, in spite of racing conditions that were the next thing to perfect. The light card and the advance of the admission fee to $2 may have been responsible for this, although it has been the rule at winter meetings for the patronage to fall off during the days immediately following the opening.

There are plenty of horses here and good ones, too, but their owners are permitting them to recuperate after their trip south. While the fields this afternoon were small, still they were evenly matched and a majority of the races furnished stirring contests with short margins separating the first two at the end.

Francis J. Pons scored his first victory of the meeting when Lady Ormicant beat Planutess a nose in the opening dash. Lady Ormicant only succeeded in getting up in the last stride.

The feature, a mile condition affair which was run as the fourth race, went to the Schorr colt, John Reardon, which won easily from Sandrian. Favorites won three races, the successful choices being Lady Ormicant, Joe Gaitens and John Reardon.

The biggest disappointment of the afternoon was furnished by Norbitt, an odds-on favorite in the second race. This horse appeared to climb and seemingly did not fancy the cuppy going.

Gerondo, who had the mount on Summer Night in the second race, is the same lad who rode under the name of Diamond at Norfolk and Pimlico. His right name is V. Gerondo.

Amos Turney and Benny Vincent are expected from Lexington tomorrow with their stables. Mr. Turney is bringing down eleven horses. In former years the Turney horses have wintered at their owner's farm in Kentucky, but this year he decided to try his hand at winter racing.

R. C. Martin is expected from Latonia with his string, while Harry Bites wired that he had left Baltimore with the horses that he is handling for M. J. Cromwell. The fast sprinter Tim Pippin is in the latter's string.

Jockey Guy Burns was suspended for a week by the stewards for rough riding in the fifth race. It was Burns who was responsible for the crowding on the far turn and it is supposed that this was responsible for the accident in which Tubal and Mon Ami fell. Tubal broke his shoulder when he went down and was destroyed. Clement, the lad who rode him, was shaken up pretty badly, but Mon Ami and jockey McCabe escaped unharmed.

JUAREZ HAS 2,000 IN ATTENDANCE.

Texans Cut a Wide Swath in the Results by Winning Half the Card.

El Paso, Tex., November 25.—Despite a mediocre card over two thousand patrons appeared for today's racing at Juarez. Texas owners were in the limelight, half of the card being captured by them. The stable of J. E. Clark was responsible for two winners in Ilzie and The Wolf, while J. R. Wainwright's Gypsy King, running to his good form, took the last race easily. The man with the halter was prominent today in the person of Roger Minton, who boosted John Louis to $705 and The Wolf to $805. Both were retained by their respective owners.

A story printed in a San Francisco paper and purporting to emanate from El Paso, to the effect that the Juarez meeting would in all probability close on account of revolutionary troubles in Mexico, was characterized by the management as absurd and ridiculous.

Secretary Jasper has prepared an attractive card for tomorrow and for the Hidalgo Stakes a high-class field of sprinters will face the barrier.

Jockey F. Anderson arrived today from San Francisco and T. Rice came from Latonia.

It is announced unofficially that President Alberto Terrazas of the Jockey Club Juarez, millionaire politician and business man, will be appointed governor of the State of Chihuahua. The plan to have Governor Juan Sanches resign and accept a foreign mission is said to have been hastened by the recent insurrection. Senor Terrazas is one of the most powerful men in Mexico and is a close adviser of President Diaz. He is a brother-in-law of Enrique Creel, minister of foreign affairs.

The special train from Latonia made the run to the Juarez track in seventy-six hours. With but one or two exceptions, the entire shipment of horses came through in excellent condition. A representative of the Jockey Club Juarez met the train at Carrizozo and went immediately to work getting all the papers signed so that when the train arrived in this city there was no delay. The train was met by Judge Shelley, of the jockey club, and three of Uncle Sam's customs inspectors. The long train had not come to a full stop before the four were busy getting all papers properly signed. Just as soon as this was done the train was rushed right over to the track, where the Mexican inspectors were on hand to inspect the train and horses.

Every horseman on the train spoke of the trip as a grand one, but of course were glad that the long ride was over. They were all pleased with the way the train was handled by the jockey club officials and the customs men on its arrival in this city.

The stables of Fred Wood and Wade McLemore were recent additions to the Juarez colony. In this shipment came the star two-year-olds of last winter's meeting, Frank Mullens, Sterlin and Rue. Sterlin has filled out and grown into a splendid-looking animal.

Col. Matt Winn and his associates in the Jockey Club Juarez are co-operating with local capitalists in a movement for the erection of a new million dollar hotel here.

FIRE AT HARLEM TRACK.

A fire of undetermined origin destroyed 400 of the stalls at Harlem race track Thursday afternoon and also a residence erected within the enclosure a number of years ago by S. C. Hildreth. The property burned represented an outlay of about $50,000 and was uninsured. Only by energetic work on the part of firemen from the surrounding territory was the grandstand and other structures saved from destruction. Twelve years ago the Harlem track was the scene of a disastrous fire that destroyed grandstand and stables, entailing a loss of $200,000.

PENSACOLANS SEE EXCITING RACING.

Small Crowd Out and Betting Is Light—Races to Be Started Later Henceforth.

Pensacola, Fla., November 25.—Close and exciting finishes featured today's racing at Kupfrian Park, which was witnessed by a small attendance. The betting was also unexpectedly lighter than that of yesterday. The favorites were downed in all the races excepting that won by Teddy Bear. Action was keen in all the races from barrier rise and the results in doubt until the official placing was displayed. Several supposed good things failed during the afternoon, the most notable cases being C. A. Leiman and Merman, both of which sustained defeat after flattering their backers almost to the finish.

After Jim L. had taken the measure of Chenault in the opening dash, jockey Wrispen claimed a foul against the winner, which was not allowed. Teddy Bear, Complete and C. A. Leiman and Black Domino landed noses apart in the order at the finish of the second race and brought on a storm of cheers. Chief Hayes' defeat of Rubiola in the third was attended by a good deal of chagrin from the backers of Rubiola, which had been backed from 3 to 1 to evens. Rubiola was best and with intelligent handling would have won.

The race in which it was originally intended to have gentlemen riders, had to be dispensed with on account of the failure of some of the riders to be on hand. Professional riders were substituted and it resulted in a narrow victory for My Rosa over Elsie Van. McAndrews was at an unexpectedly long price in the fifth and made good in handy fashion. Profile led Merman for the enire trip in the closing dash.

That the judges intend to maintain decorum on the grounds as well as keeping a sharp vigilance over the sport was made evident today when they had before them owners Crippen and Donnell to explain their having become involved in an altercation. It seems that they were contending for the possession of some of the horses now cared for by Mr. Donnell. The judges hae taken the matter under advisement, but it is almost certain that both owners will be fined.

A new rule was put into force today making it imperative for owners to collect their purse winnings immediately after each race.

Jockey Steinhardt will not be allowed to accept mounts here until he adjusts his difficulty with William Shields, who claims to have a contract on the youngster.

Post time for the first race this afternoon was 2:30 p. m. and will remain so until further notice. The disinclination of the people here to come out earlier may even make it advisable to start the racing at 3 p. m.

The touts are meeting with a hot reception upon their arrival in this city. Thus far over thirty of them have been given the alternative of taking the first train from the city or spending from sixty to ninety days in the street gangs. They invariably choose to leave immediately. A week ago a special detective reached the city, coming in advance of the "touts," with the intention of relieving the city of the undesirables before the race meeting opened. He has taken no active part in making arrests, his plan being to inform Chief Sanders of the presence of the undesirables as fast as they arrive.

OAKLAND HAS MUDDY GOING.

Change in Track Conditions Attended by Several Upsets—Dargin Wins at 25 to 1.

Oakland, Cal., November 25.—Barney Schreiber's Dargin, starting for the first time this season, upset calculations at Oakland today by winning the feature race at odds of 25 to 1. Daddy Gip was thought to be in a soft spot and went to the post a 3 to 10 favorite for the race. The muddy going that prevailed militated against his chances, however, and he made a poor showing. Dargin, off flying, led all the way and won by a neck from Dahlgren, which was backed from 20 to 1 to 8 to 1. Dargin had been turned out all summer at Barney Schreiber's California farm.

There was another upset in the fifth race when Spring Ban, a 20 to 1 chance, led her field home. Apologize, the favorite, and Royal Stone, the second choice, finished outside the money. Star Actor, winner of the third race, was bid up from $500 to $800 by I. H. Miller, but was retained.

Capt. E. B. Cassatt telegraphed from Berwyn, Penn., to Secretary Treat asking for fifteen stalls and stating that his horses will arrive here December 4. This will be the first time the Pennsylvania millionaire has raced on the coast.

L. Carlisle bought Deadwood from Green B. Morris.

NOTES OF THE TURF.

August Belmont has reconsidered his plans to race a division of his stable at Jacksonville.

Frank Bray leaves Gravesend today for Jacksonville, to which place he shipped his only horse, Captain Swanson, from Norfolk.

Frank M. Taylor arrived at Gravesend from Latonia with Fauntleroy and Adams Express. They will go into winter quarters.

Dr. J. S. Tyree will winter Duke of the District, Ivyton and three or four yearlings at Benning, where William Oliver will look after them.

Theodore Coles will not leave the employ of C. C. Smithson after all. He will continue to train High Private and Stinger for that Washington sportsman.

Dr. S. W. Streett has planned to winter at Benning. He has a stable of seven or eight horses recruited principally from James R. Keene's Castleton Stud.

James Fitzsimmons, who recently purchased Via Octavia and Sandhill from August Belmont, was acting for former warden Johnson of Sing Sing prison, New York.

Duke of Ormonde, W. O'B. Macdonough's crippled racer, is going along nicely at Oakland under Charles Casey's careful handling and will be sent to the races shortly.

Edward Hanna has gone from Norfolk to Washington to try out the yearlings he has in training at Benning, but will go to Jacksonville later on with a bunch of horses belonging to himself and to Samuel Ross.

James Rowe, trainer of James R. Keene's stable, will sail for Europe in company with jockey Notter today. Although the rumor has been revived that Mr. Rowe will train for H. B. Duryea in France next year, friends of the noted trainer say that he will not leave Mr. Keene's employ and will return to America before spring to take hold of the Keene racers now in winter quarters at Sheepshead Bay. Notter may remain on the other side, however, as he is getting too heavy to ride in this country.
